CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

1. GENERAL INFORMATION

Prosperous Printing Company Limited (the "Company") was incorporated in Hong Kong on 23 December 1992 with limited liability under the Hong Kong Companies Ordinance. The shares of the Company were listed on the GEM of The Stock Exchange of Hong Kong Limited (the "Stock Exchange") on 13 December 2017.

The address of the Company's registered office is 3/F., Yip Cheung Centre, 10 Fung Yip Street, Chai Wan, Hong Kong.

The Company and its subsidiaries (together referred to as the "Group") are principally engaged in the production and trading of books and paper products.

2. BASIS OF PREPARATION

This interim financial report has been prepared in accordance with the applicable disclosure provisions of the Rules Governing the Listing of Securities on GEM of the Stock Exchange of Hong Kong Limited, including compliance with Hong Kong Accounting Standard ("HKAS") 34, Interim financial reporting, issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

The interim financial report has been prepared in accordance with the same accounting policies adopted in the 2024 annual financial statements, except for the accounting policy changes that are expected to be reflected in the 2025 annual financial statements. Details of any changes in accounting policies are set out in Note 3.

This interim financial report contains condensed consolidated financial statements and selected explanatory notes. The notes include an explanation of events and transactions that are significant to an understanding of the changes in financial position and performance of the Group since the 2024 annual financial statements. The condensed consolidated interim financial statements and notes thereon do not include all of the information required for a full set of financial statements prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs").

The interim results are unaudited but have been reviewed by the audit committee of the Company.

The financial information relating to the financial year ended 31 December 2024 that is included in the interim financial report as comparative information does not constitute the Company's statutory annual consolidated financial statements for that financial year but is derived from those financial statements. Further information relating to these statutory financial statements disclosed in accordance with section 436 of the Hong Kong Companies Ordinance (Cap. 622) is as follows:

The Company has delivered the financial statements for the year ended 31 December 2024 to the Registrar of Companies as required by section 662(3) of, and Part 3 of Schedule 6 to, the Companies Ordinance. The Company's auditor has reported on those financial statements.

2. BASIS OF PREPARATION (CONTINUED)

Going concern basis

The Group sustained a loss of approximately HK\$26,395,000 for the six months ended 30 June 2025, and as of that date, the Group had net current liabilities of approximately HK\$131,672,000 and bank loans and overdrafts amounting to approximately HK\$118,921,000 which are due for repayment within one year. The Group's bank balance and cash amounted to approximately HK\$19,000 as at 30 June 2025. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern.

In order to improve the Group's financial position, the directors of the Company have undertaken and will implement various measures detailed as follows:

- (i) the Group will actively explore and look for other opportunities to expand and diversify the income streams of the Group;
- (ii) the Group will closely monitor its operations and implement cost control on operating costs and administrative expenses with an aim to attain positive and sustainable cash flow from operations;
- (iii) the Group has been actively negotiating with its bankers to renew or/and extend its existing banking facilities;
- (iv) the Group will dispose of certain properties;
- (v) the Group has obtained the letter of continual financial support from Mr. Lam Sam Ming (Director and controlling shareholder of the Company);
- (vi) the Group has obtained new bank loans of approximately HK\$2 million; and
- (vii) the Group will actively and regularly review its capital structure and source additional capital by raising new debt financing or, issuing new shares, where appropriate.

These interim financial report has been prepared on a going concern basis, the validity of which depends upon the successful implementation and outcome of the above measures to be undertaken by the Group. The directors of the Company are of the opinion that, taking into account the above measures, the Group will have sufficient working capital to meet its financial obligations as and when they fall due in the next twelve months from 30 June 2025.

3. CHANGES IN ACCOUNTING POLICIES

The HKICPA has issued several amendments to HKFRSs that are first effective for the current accounting period of the Group. None of these developments have had a material effect on how the Group's results and financial position for the current or prior periods have been prepared or presented in this interim financial report. The Group has not applied any new standard or interpretation that is not yet effective for the current accounting period.

BUSINESS REVIEW AND FUTURE PROSPECTS

The Group is a provider of printing products to Hong Kong-based print brokers with customers in overseas markets and to international publishers. The products comprise mainly books and other paper-related products. Paper and ink are the principal raw materials of the Group. The Group's revenue decreased by approximately 97.2% from approximately HK\$43.5 million for the Prior Period, to approximately HK\$1.2 million for the Current Period due to decrease in sales order as a result of the closure of Shenzhen Factory in May 2024 as well as Huizhou Factory only obtained the printing licence in May 2025. The Group recorded a net loss of approximately HK\$26.4 million during the Current Period, as compared to a net loss of approximately HK\$29.5 million during the Prior Period, which was mainly due to decrease of administration expenses.

The Group's Shenzhen Factory has discontinued operation in June 2024. For details, please refer to the announcement dated 31 May 2024 and 19 June 2024.

The Group's Hong Kong Factory discontinued operation as the site of operation has been surrendered to a commercial bank, the details of which are set out in the announcement dated 11 November 2024. After delivery of vacant possession, the Group intends to maintain office in Hong Kong and allocate all the customer orders to Huizhou Factory (as defined in the announcement dated 30 October 2024) which was partially owned by the Group through joint venture arrangement as disclosed in the announcement dated 30 October 2024, and/or other sub-contractors in mainland PRC.

The remaining business operation of the Group after Shenzhen Factory's discontinuance ("Remaining Group") will continue to be principally engaged in the business of provision of printing services, while the Remaining Group will switch part of its business model from self-production through its own factory in PRC to outsourcing printing and binding to Huizhou Factory or other external sub-contractors in PRC. As disclosed in the announcement dated 30 October 2024, the Company and JV Party entered into JV Agreement with respect to the Huizhou Factory. As disclosed in the announcement dated 29 November 2024, the Huizhou Factory has commenced operation and has received sub-contracting orders for binding from the Group. In May 2025, the Huizhou Factory obtained the printing licence for printing. The Remaining Group remain responsible for design, color match, sample printing check, quality check and logistic.

Looking forward, the Group will strive to maintain its operation by adapting a streamlined business model through the Huizhou Factory and other subcontractors. However, the business environment remains challenging, and there are certain risks that the Group will face in further development such as challenges from the uncertainty of economies by reason of, among others, the global economy uncertainty, Russia-Ukraine war, the U.S.-China trade dispute, technological advancements in publishing and new forms of information dissemination. The Group was established in Hong Kong in 1992 and had a long established presence in printing industry, and will strive to take advantage of its competitiveness such as adherence to international standards, strong and stable project management skills so as to source orders from overseas customers which can be undertaken by factory in mainland of PRC and outsource its printing and binding to Huizhou Factory or other sub-contractors in mainland of PRC which the Group maintain responsible for design, quality control and logistics for a profit margin, which the Company believes will significantly reduce the Company's fixed overhead costs in order to improve its cashflow. On the other hand, the Company will explore and look for other opportunities in more technologically advanced printing and relevant printing business, media services and product range, so as to expand and diversify the income streams of the Group. In order to be in line with the Group's business model, the Company will seek for additional technologically advanced printing factories for cooperation.

The Company has complied with the principles and applicable code provisions of the CG Code for the Current Period, except the deviation from CG Code provision C.2.1 as set out below.

Chairman and Chief Executive Officer

Code provision C.2.1 of the CG Code stipulates that the roles of chairman and chief executive officer should be separated and should not be performed by the same individual.
